

# Pioneer Doctor Maze

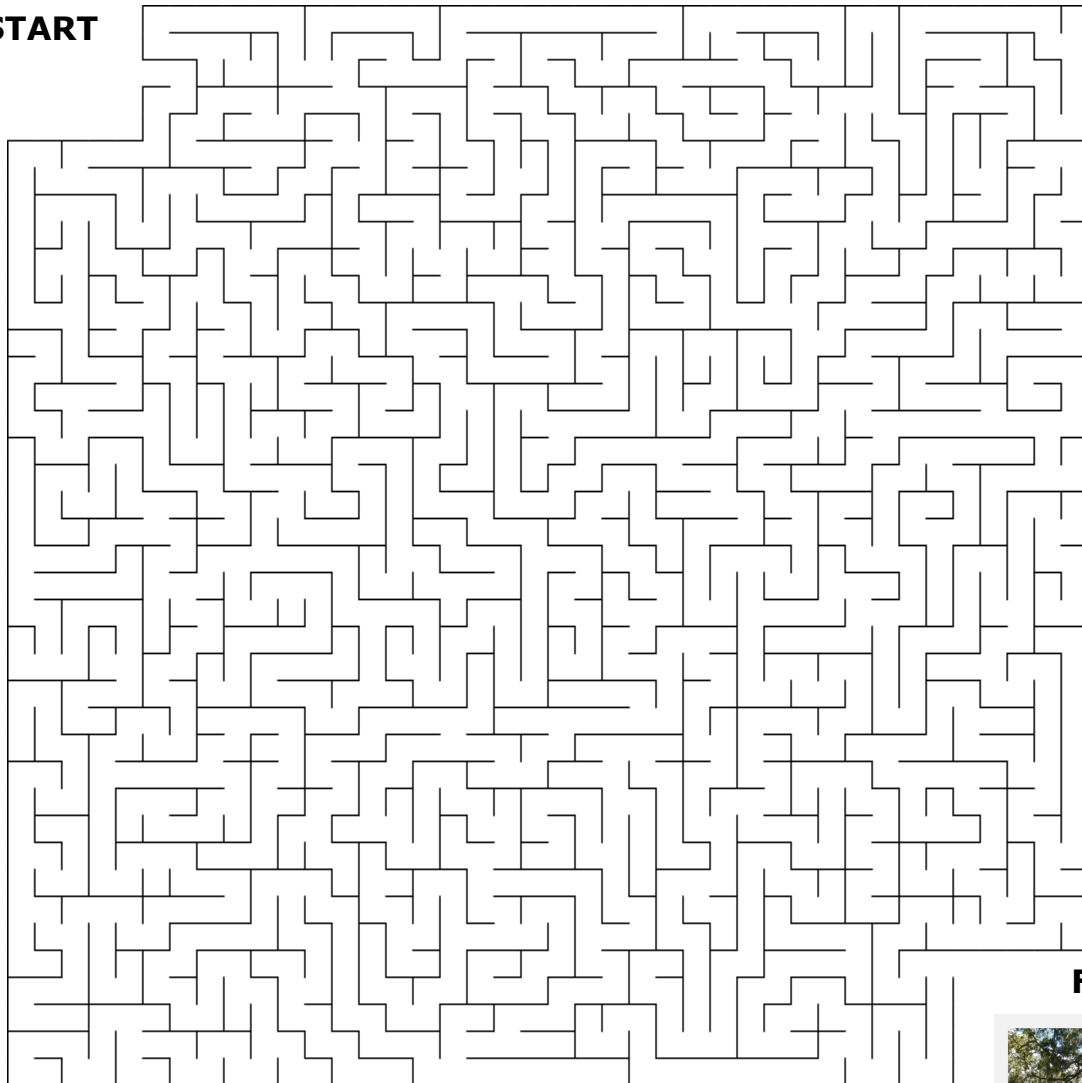

Before 1900, Manatee was considered part of the Florida frontier. Pioneers had a hard time getting medical care quickly. There were no phones, cars, or hospitals.

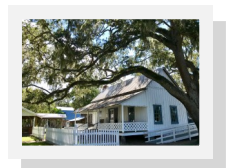

Dr. Pelot moved to the Village of Manatee in 1865. He worked as a doctor. He traveled to his patients by riding a horse. Sometimes it would take him four or five days to travel to one of his patients!

**Directions.** Help Dr. Pelot reach the pioneer house. The answer is on the back of the page.
